

Education

School of Visual Arts 1999-2003 Bachelor of Fine Arts, focus in Creative Advertising.

Professional Experience

Getty Images 2006-Current As a production technician, I am responsible for QCing and repairing any technical issues within our film/digital library. As an editor, I am responsible for editing submitted footage, from outside filmmakers or Getty's wholly-owned shoots.

Our Man In Havana 2006-Current I am a freelance designer, working on logos and helping out with advertising concepts.

POOL Inc. 2004-2006 I was a creative assistant, responsible for client mediating and some production work on their AVON account.

Devito/Verdi 2001-2002 As a student intern, I was responsible for imagery search and helping to put together client presentation boards.

Technical Skills

Photoshop CS, Illustrator CS, InDesign CS, Final Cut Studio, Microsoft Office
